The ONL192 team

<https://www.opennetworkedlearning.se/about-our-se-team-of-192>

Online learning and meetings

- Equipment
 - Computer with good internet connection
 - Headset (preferably with USB)
 - Camera (integrated in laptop or external)
 - Mobile devices as a complement and/or alternative
- Meeting spaces
 - Many options, for the ONL course we mainly use Zoom

Have you been in online meetings before?

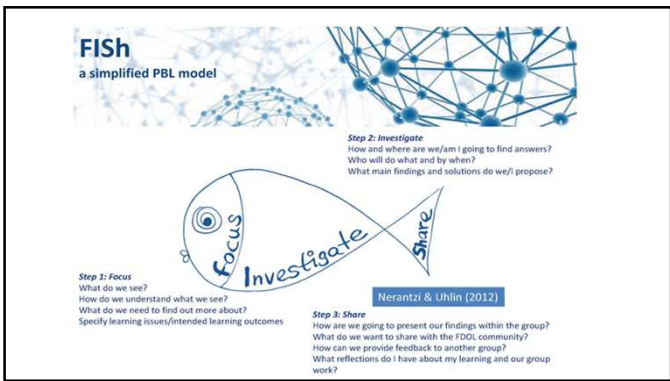

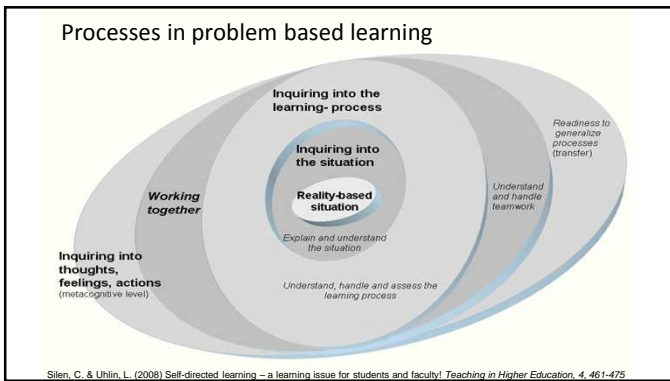

- Poll <https://www.menti.com/> code 224498

What are your experience of online learning?

- break out groups + https://padlet.com/dani_farma84/welcomeONL192

ONL site and community space
<https://www.opennetworkedlearning.se/>

What would you like to take home after the course?
<https://www.menti.com/>
code 183954

How to get started

- Check out the ["Getting started"](#) for introductory tasks
- PBL groups open today!!
Connect with your peers through the group forum and scheduled online meeting(s) during the week.
We look forward to see the presentations from all groups!!
- Check out the course overview and note the common course events (some remains to be decided)
 - Please note these are optional, thus not mandatory

Any questions??
